The final payment is due May 31.

Accommodations

There are two Retreat Areas. We will fill the 24 person area first. The Second Area is just down the hall and will accommodate 16 People

It has the same amenities.

There are 2 restrooms on the lower level so you won't have to climb the stairs to your room 5 times a day.

Both groups will share the large kitchen and Dining Area

Most of the bedrooms have four beds. **If you have mobility issues, use a CPAP machine or have any special issues PLEASE register ASAP with Creative Passions and call Lynne Bryant.**

Note: The ground floor rooms will be given as they are available. One of the lower level bedrooms sleeps six people although it is very roomy.

We will organize lunch and dinner for those who don't bring their own meals for a nominal cost and volunteer kitchen work.

We will organize lunch and dinner on a potluck app - <https://www.perfectpotluck.com>

- Roberta will send a link to this app to attendees in the Spring. Participants will be able to see what other people are bringing and add to the menu.
- There is a section for participants to post any food allergies. Persons with significant food allergies or who may be on special diets may choose to bring their own food.
- Folks who think that cooking at a retreat is the last thing they want to do may sign up for dishwasher loading/unloading.

Another option is to check out the restaurants in the area. Menus are available at the retreat center if you would rather go out or arrange for take-away.

There is an entire separate bar/kitchen area for snacks and drinks that is also available all day. BYO or bring snacks and drinks to share.
